KEY HIGHLIGHTS

ABOUT THE ORGANIZATION

04 April 2025

The Meghalaya Basin Management Agency (MBMA) and Meghalaya Basin Development Authority (MBDA) implement citizen-centric, community-driven projects to improve the quality of life for Meghalaya's citizens, bridge developmental gaps, and promote natural resource management, catchment area protection, forest management, agroecological practices, and market development. Incorporated under the State's Planning, Investment Promotion & Sustainable Development Department, MBMA and MBDA partner with multilateral agencies, banks, non-profits, UN organizations, government departments, and community groups to implement their works.

Coverage spans across Meghalaya through Externally Aided Projects (EAP) such as the IFAD-supported Meghalaya Livelihoods and Access to Markets Project (Megha-LAMP), the JICA-funded Project for Community-based Forest Management and Livelihood Improvement in Meghalaya (MegLIFE), the KfW Development Bank-funded Sustainable Land Management Meghalaya Project (SLM) and the Protection of Vulnerable Catchment Area in Meghalaya (MegARISE) Project, and the recently-concluded World Bank-funded Community Led Landscape Management Project (CLLMP).

State programmes being implemented include the Promotion and Incubation of Market-Driven Enterprises (PRIME), the Farmers Collectivization for Upscaling Production and Marketing Systems (FOCUS), and the Smart Village Movement (SVM).

Meghalaya hosts Tri-Partite Review Meeting (TPRM)

Meghalaya hosted the Tri-Partite Review Meeting (TPRM), reviewed by a five-member team from the Department of Economic Affairs, Government of India, led by Smt. Manisha Sinha, Additional Secretary, and Shri. Prasanna V. Salian, Director. The meeting, held at Ri Kynjai, assessed the progress of IFAD-assisted projects across the country and was followed by a workshop on India's 2026-2032 Country Strategy.

Dr. Vijay Kumar D., IAS, Commissioner & Secretary to the Govt. of Meghalaya, Planning Department, and Project Director, MeghaLAMP, attended the meeting alongside officials from NITI Aayog and key ministries, including the Ministry of Development of the North-Eastern Region, Ministry of Agriculture & Farmers' Welfare, Ministry of Rural Development, Ministry of Women & Child Development, and the Ministry of Environment, Forest & Climate Change. Discussions focused on project achievements, challenges, and strategies to strengthen rural development initiatives, including potential project extensions and enhanced support for rural communities.

Participants included officials from IFAD-funded projects in Nagaland, Chhattisgarh, Maharashtra, Uttarakhand, Odisha and Jammu & Kashmir.

Department of Economic Affairs (DEA) reviews JICA-assisted projects in Meghalaya

The DEA team visited Laitmynsang and Pashang to witness firsthand the communities' dedication to environmental conservation. They toured key project sites, interacted with local stakeholders, and observed the impact of ongoing initiatives. The visit highlighted the communities' appreciation for MBDA and MegLIFE's support in fostering sustainable development and strengthening resilience through conservation efforts.

Key Members from the KfW Development Bank visit Shillong for Appraisal of KfW-funded Projects in Meghalaya

The Appraisal Mission 2025 for the Sustainable Land Management Meghalaya Project ran from 4 March to 12 March 2025, where the KfW Development Bank team visited project villages to review progress, observe key interventions, and engage with farmers and producers supported by the project. The team also held important meeting with the SLM project and the Government of Meghalaya. During the Mission, KfW also visited intervention sites of the MegARISE project where they engaged with communities and inspected the project's nursery initiatives.

200 Farmers Attend Exposure Visit at Nokma Ice Cream Factory, Tikrikilla, West Garo Hills

At Muktidata Multipurpose Cooperative Society, Tikrikilla, farmers from IVCS' in Selsella Block spent three days exploring innovative farming methods, smart resource use, and creative marketing strategies—all aimed at boosting productivity and sustainability.

PROTECTION OF VULNERABLE CATCHMENT AREAS IN MEGHALAYA PROJECT

04 April 2025

Community-Led Plantation Initiatives

Umiew Catchment, Mar 18, 2025: Plantation consultation held with landowners in Kharnongwah & Mawkohmon, Mawphlang Block.

Ganol Catchment, Mar 24, 2025: Awareness program in Dura Kalakgre saw 30 volunteers offering Jhum land for plantations. Site verification completed for 8 plots, with interest in agroforestry & water retention species.

Ganol Team Plantation & Nursery Inspection

On March 25, 2025, the team verified plantation sites, marked boundaries & inspected nurseries across multiple villages in South West & West Garo Hills. A total of 21.5 hectares was identified for plantation from three VPICs.

Ganol Team Field Visit

On March 20, 2025 the team visited Waribokgre & Digranggre, mobilizing for plantations, inspecting nurseries & guiding VCFs on spring mapping & land demarcation. Villagers expressed willingness to contribute land, reinforcing shared ecological goals.

SUSTAINABLE LAND MANAGEMENT MEGHALAYA PROJECT

04 April 2025

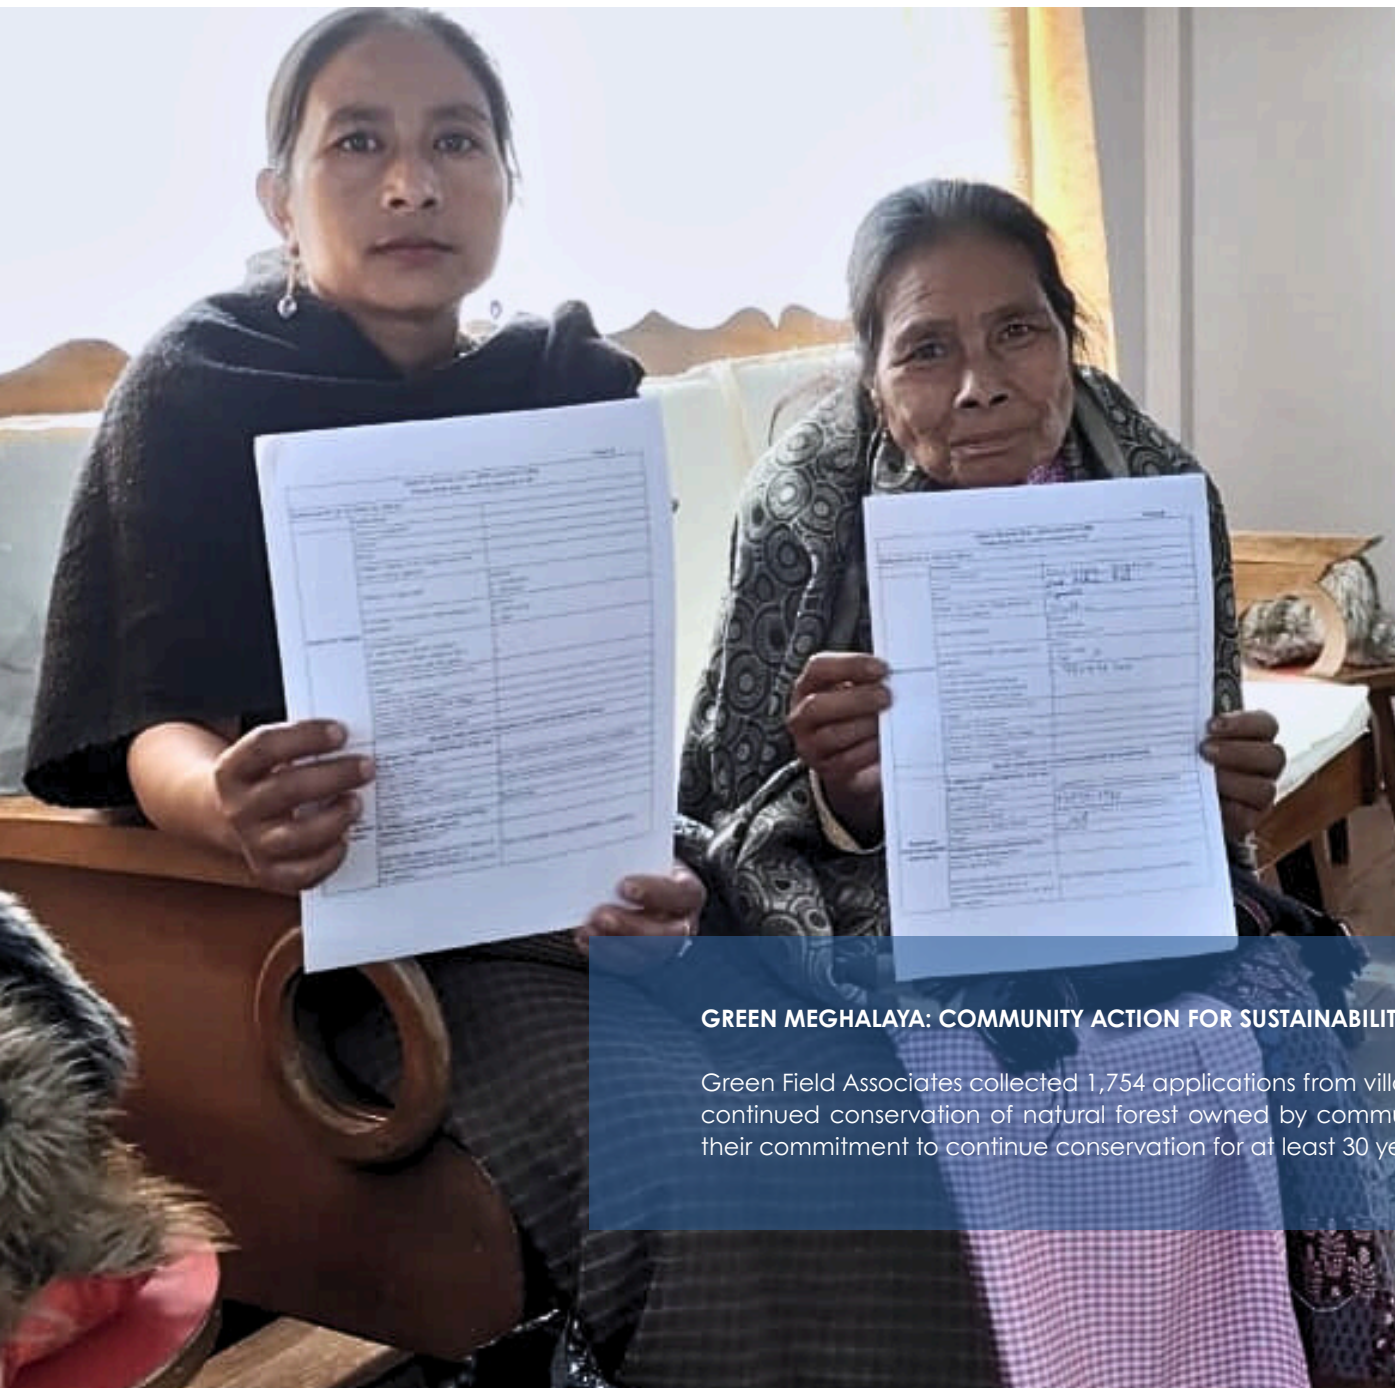

Meeting with NGO partners of SLM

A meeting was held on 28 March 2025 at the Project Management Unit (PMU) of the Sustainable Land Management Meghalaya Project (SLM) in Shillong, to review project progress and finalize work plans for NGO partners in the coming months. Attended by SLM officials, partner implementing agencies, NGO heads, and MBMA staff, the discussion focused on key deliverables. A primary task assigned to the NGOs was the identification of villages with agroecological potential for the next phase of the project by leveraging their strong grassroots presence.

ANNOUNCEMENT!

Introducing Health Cube Devices for Employee Well-Being.

MBDA/MBMA is launching Health Cube screenings to promote preventive healthcare for all staff. These portable diagnostic devices will help detect health concerns early, ensuring timely intervention. Trained lab technicians will conduct quarterly screenings across all units. A district-wise schedule will be shared soon—let's prioritize our health together!

STORY OF THE WEEK

MEGHALAYA LIVELIHOODS AND ACCESS TO MARKETS PROJECT

Agri Tools available:

- Power Tillers (3 units)
- Tractor (1 unit)
- Bush Cutters (2 units)
- Pump (1 unit)
- Sprayer (1 unit)
- Manual Seeder (1 unit)
- Rotary Tiller (1 unit)

Rental Rates:

- Tractors: Rs. 1,500 per hour
- Power Tillers: Rs. 300 per hour
- Sprayers: Rs. 100 per day
- Bush Cutters: Rs. 200 per day

Employment Generated:

- The CHC has employed 3 full-time farm machinery operators

Monthly & usage trend:

- Monthly Usage:
Approximately 10 to 50 members
- Peak Usage: May and June

Revenue Generated:

- The CHC has accumulated a revenue of Rs. 48000 to date

STRENGTHENING RURAL LIVELIHOODS THROUGH INTEGRATED SUPPORT IN UMWANG VILLAGE, RI BHOI

Established in 2019, Umwang Pyllun IVCS Ltd. has transformed rural livelihoods across five villages in Ri Bhoi. With 167 members and a strong savings base, it provides financial access through loans while promoting gender inclusivity, with women making up 41% of its members.

The IVCS supports farmers through the Umwang CMC, which has marketed over 120 MT of pineapple, 55 MT of ginger, and 136 MT of bay leaves. Collective marketing activities have improved incomes for 109 pineapple farmers, 160 ginger farmers, and 98 bay leaf farmers by ensuring better pricing and direct market access. Additionally, the Umwang CHC has introduced modern farming equipment, reducing labor efforts and improving productivity, particularly benefiting women farmers.

Backed by the IFAD funded Meghalaya -Livelihood and Access to Markets Project and the KfW-funded Sustainable Livelihood Management Meghalaya Project, the IVCS is now transitioning to organic pineapple farming, aiming for National Programme for Organic Production certification to unlock new market opportunities.
