2	ITB 22.1	The Bidder shall prepare a Technical Bid and Financial Bid for all Lots. However, the financial bid should be submitted in the financial bid folder and not together with the technical bid.	The Bidder shall quote the prices Lot-wise, as per the Lot-wise BOQ provided in the Bidding Document. The Bidder shall enter the required details and amounts against each respective Lot in the BOQ and in the main/summary sheet. The total bid amount in the main/summary sheet shall be calculated and entered manually by the Procuring Entity. <i>Note: Due to a technical/formula-related issue in the Bidding Document, the formula for the automatic calculation of the total amount of the Lots has been entered incorrectly. Therefore, the total bid amount shall be calculated and verified manually based on the Lot-wise amounts quoted by the Bidder.</i>
